B.Tech, Computer Science Engineering, NIET, Greater Noida   2019 - 2023

EXPERIENCE

Senior Associate   Sept 2023 - Sept 2024
Genpact   *Noida*

- Master Data Management

PROJECTS

SilentEcho (Fullstack,Typescript) [(Link)](#) [(Github Link)](#)

- **Developed a production-level app** in **Next.js**, incorporating **Zod** for robust data validation, **Resend** for email handling, and **NextAuth** for authentication, including custom OTP functionality.

- **Integrated advanced features** like **AI-driven components**, **message APIs with aggregation pipelines**, and **React Hook Form** with **shadcn** for enhanced user interactions and form handling.

- **Built and enhanced the user dashboard** and navigation, ensuring seamless interaction with features like **carousel elements**, **debouncing**, and error management to deliver a smooth user experience.

SaaSify (Front-end, Typescript) [(Link)](#) [(Github Link)](#)

- **Developed a responsive SaaS landing page** using **React**, **Next.js**, **TailwindCSS**, and **Framer Motion**, with a focus on engaging animations and visual appeal.

- **Implemented dynamic features** such as **parallax effects** and **micro-interactions** to enhance user experience across devices.

- **Optimized product showcase, pricing, and testimonials sections** for consistency and responsiveness on mobile, tablet, and desktop views.

INTERPERSONAL SKILLS

- Problem solving, Verbal and Written Communication, Collaborative, Quick to adapt, Detail-Oriented.
